

Invisi-Shield® System

Sliding panels prevent “shelf sweeping”

Reduce Shrink

Sliding panels help prevent “shelf sweeping” theft while maintaining shopper accessibility.

Audible Security Feedback

Ratcheting sound when panels move adds an extra layer of theft deterrence.

Easy Customer Access

Smooth-sliding design allows legitimate shoppers to reach products effortlessly.

Clear, Unobstructed Visibility

Crystal-clear panels available for narrow, wide, or tall product; feature contoured edges for comfortable shopping.

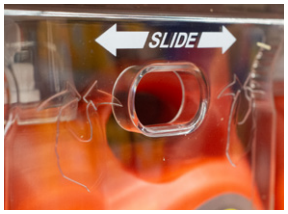

Accessories for every product

Optional accessories such as end panels, locking panel and security bar cover provide additional security by limiting access to product

Durable Design

High-impact clear plastic panels are nearly unbreakable, even in high-traffic environments

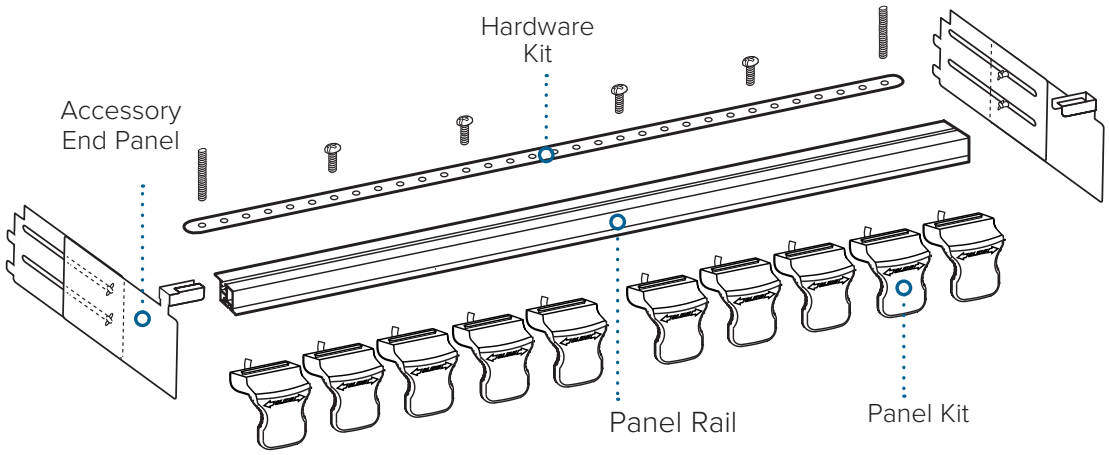

Customizable

Additional languages can be imprinted on panels
