

Snack Can Pusher

Maximize sales and enhance shelf display

Enhance Product Presentation

Showcase items clearly for maximum shopper impact and help customers quickly find what they need.

Space Efficient Design

A low profile and pass-through fence allow for tight shelf space and maxumum utilization.

Boost Sales Performance

Drive revenue growth by **5-8%**, with improved product visibility and accessiblity, while reducing labor and stocking time.

Universal Shelf Fit

Adjustable depths to fit most shelves.

- Short 12” – 16” D
- Standard 16” – 25” D

Ensure Planogram Integrity

Keep SKUs organized in defined lanes for a clean, compliant presentation.

Flexible Display Solutions

Seamlessly connect multiple units to fit any shelf configuration and maintain planogram integrity. The system prevents lost facings while still fitting 15 Pringle-size cans on a 4’ shelf.
